Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. If you are currently experiencing depression, or have regularly faced depression in the past, you're not alone. You may be surprised how many people experience some level of depression; but you may also be surprised how many people make the mistake of identifying with their depressive experience. Mindfulness can be an immense help in awakening the mind to see that depression is an experience apart from one's identity and present moment happiness. Don't let depression impact your life any longer. This mindfulness guide will help you to reduce depression so that you can live your best life possible in the present moment. This 30 day mindfulness program will help guide you into present moment awareness, where depression can be reduced. You'll discover that you're not identified, controlled, or fated by the experience of depression. The time to be aware, happy, and awakened is now. (Checkout more of our mindfulness guides at . \*\*\*\*\*Mindfulness is a practice that has been around for ages, and has effectively changed the lives of many, especially while joined with cognitive behavioral therapy (CBT). The exercises in our guide books incorporate fun, common, and unique techniques that stem from old teachings as well as CBT. Most of our guide books focus on overcoming adverse attachments, so that you can live your best life possible and rediscover happiness. Our approach is to keep it simple. Mindfulness does not have to be a complicated, strenuous, or confusing practice. As we like to say, there isn't a grand goal of enlightenment that you must reach to discover happiness, fulfillment, and peace. Believe it or not, you have happiness in the present moment, and that's what our guide books will help you...
